GENERAL SKILLS

TEAMWORK AND PROBLEM SOLVING
Met up with the team and practiced problems that we were likely to face in the challenges, earning us third place in the first annual Code Quest competition.

TIME MANAGEMENT
Created a whole year schedule of due dates resulting in no late works and better time handling.

COMMUNICATIONS
Had consistent meetings with the team I was working with on a project, which resulted in clear instructions on what and how to do things and which role I was playing in the team.

CERTIFICATES & AWARDS

- WHMIS Certificate of Completion
- OHS Certificate of Completion
- Computer Programming Award (High School Graduation)
- 3rd Place Code Quest 2019 (Lockheed Martin)
